Subscription Information
The Schizophrenia Bulletin is published quarterly and is available on subscription from the Superintendent of Documents, Government Printing Office, Washington, DC 20402. A subscription form is provided on the last page of the issue. Please make check or money order payable to the Superintendent of Documents. Back issues, when available, are sold at the single copy price. Changes of address and complaints about nonreceipt of issues should be sent to the Superintendent of Documents, Mail List Branch, Mail Stop: SSOM, 732 North Capitol St., N.W., Washington, DC 20402-9375, and should include the old address, preferably a mailing label, as well as the new address.
In December 1969, the first issue of the Schizophrenia Bulletin was issued on an experimental basis. Its appearance was followed over the next 4 years by 10 additional experimental issues. On September 25, 1974, permission was granted by the Office of Management and Budget for the Bulletin to be established as a regular quarterly publication. The Secretary of Health and Human Services has determined that the publication of this periodical is necessary in the transaction of the public business required by law of this Department. Use of funds for printing this periodical has been approved by the Director of the Office of Management and Budget through September 30, 2000.

This is Volume 26, No. 3, 2000, of the Schizophrenia Bulletin, a quarterly periodical prepared by the Office of Communications and Public Liaison, National Institute of Mental Health (NIMH), National Institutes of Health. The Bulletin’s purpose is to facilitate the dissemination and exchange of information about schizophrenia. Material contained in the Bulletin, including viewpoints expressed by NIMH staff members, does not necessarily reflect the opinions, official policy, or position of NIMH. All articles appearing in the Bulletin, except where otherwise noted, are in the public domain and may be reproduced or copied without requesting the author’s permission.

About the Cover
The Schizophrenia Bulletin features art done by current and former mental hospital patients. "Brother and Sister" is the title of the art on this issue’s cover. The artist, who prefers to remain anonymous, writes, “This art work is a pastel on canvas. I had drawn a rough sketch of my children as they were watching TV. As I worked on the coloring, it became more vividly surreal-like.”
